Landmannalaugar

Heisse Quelle

A wide, calm lake reflecting the surrounding landscape under a clear blue sky. The water is a deep blue, mirroring the sky and the distant mountains. A small, rounded rock sits in the middle of the lake. The foreground is a grassy slope leading down to the water. The background features rolling hills and mountains, some with patches of green and others more barren. A watermark 'alpgehnuss.ch' is visible in the upper left area of the image.

Skógar

Skógasafn

A wide, powerful waterfall cascading down a dark, mossy cliff. The water is white and frothy as it falls, creating a large plume of mist at the base. The surrounding cliffs are covered in vibrant green moss and small plants. In the background, rolling green hills are visible under a grey, overcast sky.

Öxaráfoss

A wide waterfall cascading over a dark, mossy rock face in a rugged, mountainous landscape. The water flows in multiple streams, creating a white, frothy appearance as it falls. The surrounding terrain is steep and covered in patches of green moss and lichen. In the background, rolling hills and a small body of water are visible under a cloudy sky.
